

September 8, 2008

Parents and Students,

On behalf of the transportation staff, I want to welcome you back for the 2008-09 school year. In the interest of operating the bus runs as efficiently as possible, please note any changes there may have been to the elementary and middle high school bus routes since last school year. The following information is subject to minor changes in times and routes as we get 2-3 weeks into the school year and are able to determine who will be riding the buses. The times listed below are NOT exact but rather are intended to give you an **approximate time** students may be picked up. Please call me at 756-7899 with any pertinent transportation information or questions. Thank you for choosing River Valley School District. Go Mustangs!

Linda Weigel
Transportation Supervisor
