Introduction

AdvancED's Self Assessment (SA) diagnostic is based on the AdvancED Standards of Quality, which serves as the foundation of the accreditation and continuous improvement process. The SA is a valuable tool for collaboratively engaging staff members and stakeholders in purposeful, rich dialogue and reflection to assess the institution's adherence to the Standards, and guide its continuous improvement efforts. The SA includes the institution's self-ratings of and the evidence cited for each of the indicators and an overall narrative for each Standard. The results of the SA are reviewed and assessed by the External Review Team as one essential component of the accreditation process for the institution's External Review. The results are used to provide meaningful feedback that is focused on student-centered learning and continuous improvement.
