November 8th, 2020

Dear River Valley School Community,

As the Covid-19 pandemic continues to grow, we are seeing an increase in the number staff and students testing positive for the virus or being placed in quarantine. This afternoon, the health department has communicated to us that we will have many students and staff in isolation and or quarantined. Due to this, we do not have the extra staff to maintain an adequate learning environment for face to face instruction.

Therefore, all River Valley schools will be closed to face to face instruction for the entire week, 11/9-11/13. We will be communicating with you throughout the week and should circumstances change we certainly will consider re-opening our schools for face to face instruction.

Students in our high school may still attend C.T.E. classes and off campus programs.

Respectfully Yours,

Scott Bojanich, Superintendent River Valley School District
