Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for River Valley Middle High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Patrick Breen, MHS Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site [www.rivervalleyschools.org/district-reports](http://www.rivervalleyschools.org/district-reports), or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not identified in any of the categories above so no label was given for River Valley Middle High School. The data represents some points of pride as well as areas of improvement. We are above state average in 7th grade reading and science, 11th grade social studies, 11th grade science, and 11<sup>th</sup> grade reading/writing. Challenges are identified as any category or sub-category in which we scored below state average. River Valley Middle/High School challenges include math at all levels, especially in our economically disadvantaged and our special needs population. 6<sup>th</sup> and 8<sup>th</sup> grade reading as well as 8<sup>th</sup> grade social studies are also need areas.

We are addressing these challenges with our strategic multi-tiered system of support which includes strategies, including peer mentoring, student-specific action plans and RTI (Response to Intervention) time embedded into the school day, providing 84 minutes of strategic, mandatory support each week. We have also implemented a CHOICE reading initiative to provide dedicated time to reading during the school day. This reading is driven by student choice and is done every

**"Home of the Mustangs"**

Friday by the entire school. Additional dedicated reading time is done in the ELA classes throughout the week.

We have also implemented standards-based grading to pinpoint and report student learning and proficiency more accurately. This allows for a curriculum driven by common core and state standards to identify student proficiency on the said standards. We believe this practice will help out teaching staff identify strengths and needs more accurately so we can diagnose and implement interventions more effectively.

State law requires that we also report additional information.

1. All Middle High School students in the district automatically attend the district's only Middle high School.
2. The School Improvement Plan was updated for the 2016-2017 school year using the state approved format. The plan is available on the following website:  
<http://rivervalleyschools.org/district-reports>
3. River Valley does not operate a specialized school; however, students needing a specialized school are placed based on their Individualized Education Plan or IEP.
4. A copy of the Michigan High School Curriculum course requirements is located in the Middle High School Principal's office or you may visit the state website: [www.mi.gov/MDE](http://www.mi.gov/MDE)
