Dear Parents,

We had a family test positive last night for Covid. There were siblings in each one of our buildings. Starting today we will require masks for the next two weeks at which time we will reevaluate the situation. We will be passing out masks today. We ask that your child(ren) bring masks with them starting tomorrow. If you don't have any, we will be happy to provide one.

Please keep an eye on your child(ren).

- Fever
- Cough
- Sore throat
- Runny or stuffy nose
- Muscle or body aches
- Headaches
- Fatigue
- Vomiting and diarrhea
- Shortness of breath or difficulty breathing
- Loss of taste or smell

Please keep them home. Let's work together so we can keep down the spread.

Thank you for your understanding and cooperation. We will keep you updated weekly on our progress.

We will get through this together.

Sincerely,

Dr. Andrea van der Laan
