March 29, 2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for the River Valley School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Superintendent Scott Bojanich for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <https://rivervalleyschools.org/district-reports>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

## **Teacher Qualification Data**

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

## **NAEP Data (National Assessment of Educational Progress)**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

## **Civil Rights Data**

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and

**"Home of the Mustangs"**

Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Chikaming Elementary	No Status Label	Student Achievement Framework
Three Oaks Elementary	No Status Label	Student Achievement Framework
River Valley Middle/High School	No Status Label	Student Achievement Framework

River Valley School District continues to focus on providing high levels of learning for all students. While we continue to make progress on reducing gaps and raising achievement levels of all students; we must continue to emphasize our district-wide implementation of the "Student Achievement Framework". In it we must focus on all aspects of student learning, including the social and emotional needs of our students. Parents and community members are encouraged to be active in the school improvement process. By working together, we can provide the best possible education for our students. Please contact me if you have any questions regarding the information that is contained in the attached report.

Sincerely,

Scott Bojanich  
Superintendent of Schools
