

RV Elementary School Supply List

We have put together a list of classroom needs, to help parents in school shopping. Please be aware that any supplies your child needs for success in school, we will provide. Because all kids love walking in with new supplies to start their year, this is a list of *suggested items* to purchase. Your child will not be behind or left out if they're missing any of this list – we'll make sure they have it!

Please label all items before sending to school.
